A Broom for the Blood

is as necessary as a broom for the house. For in the blood accumulate the germs of disease which, if not swept away, become manifest in boils, blotches, sores, ulcers, eruptions, eczema, tetter, and like diseases, that flay the flesh and scar the skin.

Ayer's Sarsaparilla

makes a clean sweep of all diseases that begin in the blood. What other medicines drive out. Where other medicines make a surface show of health by cleansing the skin, Ayer's Sarsaparilla lays the foundation of health by cleansing the blood. It is conceded that all diseases the larger portion have their origin in impure blood. Cleanse the blood and you cleanse the skin. Foul blood cannot make a fair body. The shortest way to a sound body, a clear complexion, and a vigorous life is to purify the blood with Ayer's Sarsaparilla.

It has been curing people right along for over 50 years

"I can truly say that Ayer's Sarsaparilla saved my life after doctoring for years for blood poisoning. Not one bit of help in any way, shape, or manner did I receive before, by advice of a friend, I took Ayer's Sarsaparilla. It made me a new man, and completely cured me."
HARRY L. BROWN, 21 Hanover Street, Manchester, N. H.
"Last year I was badly troubled with boils which I could not get rid of, until I procured Ayer's Sarsaparilla. Two bottles relieved me of my tormentors, and they have never made their appearance since."
B. B. BRADLEY, Danbury, Ga.
"Five years ago my little boy became blind from the effects of scrofula. Our doctor failed to help him. We began the use of Ayer's Sarsaparilla, and two bottles cured him."
A. A. MANNING, Houston, Tex.
"After six years suffering from blood poisoning, I began taking Ayer's Sarsaparilla, and although I have used only three bottles of this great medicine, the sores have nearly all disappeared."
JOSEPH MURPHY, 173 Mulberry Street, Newark, N. J.
"I was afflicted with catarrh for a number of years, none of the doctors being able to help me. When almost hopeless of cure, a friend advised me to try Ayer's Sarsaparilla, and after using only three bottles the cure was effected, and today I am perfectly healthy."
Your druggist sells AYER'S: \$1.00 a bottle; six bottles for \$5.00.

dred a day; that every fifteen minutes of the twenty-four hours the final tap sound for some one who were the blue. Each year puts under the dead more old soldiers than there were enlisted men and officers both in the entire United States army just prior to the war last year. Time is carrying them off faster in the 90's than bullets did in the 60's. The war of the rebellion lasted four years to a month. In those four years 84,000 men fell in battle on the union side. But now between 10,000 and 45,000 die in the course of nature each succeeding twelve months. And for every three union veterans who go to time eternal camping ground, it is estimated that two confederates are numbered with the dead.

But there are young men, both North and South, who will take their places. These enthusiastic young gentlemen who came to the country's rescue last year, will take up the work where their fathers left off. And after them, others will come on, until millions yet unborn will be carrying the glorious banner of this country to victory, and reverencing the names of all its gallant defenders who have lived and died in the hundred years, it is to be hoped thousands, of years before them. That it may be so, is our honest and earnest prayer.

We live in a country of which the principal source is stomach trouble. It is more wide-spread than any other disease, and, very nearly, more dangerous.

One thing that makes it so dangerous is that it is so little understood. If it were better understood, it would be more feared, more easily cured, less universal than it now is.

So, those who wish to be cured, take Shaker Digestive Cordial, because it goes to the root of the trouble as no other medicine does. The pure, harmless, curative herbs and plants, of which it is composed, are what render it so certain and, at the same time, so gentle a cure.

It helps and strengthens the stomach, purifies and tones up the system. Sold by druggists, price 10 cents to \$1.00 per bottle.

If your child is cross or peevish, it is no doubt troubled with worms. White's Cream Vermifuge will remove the worms, and its tonic effect restore its normal cheerfulness. Price, 25 cents. Sold by Clark O. Proud.

In answer to an inquiry we would say that 152,729 barrels of apples were shipped to Europe from the United States during the last calendar year. No later statistics can be obtained. This was a decided reduction from previous years. In 1896 nearly three times as many—1,137,711 barrels—were exported, and in 1897, 881,279 barrels. The most of these apples went to Great Britain. We ship an enormous quantity of dried apples abroad. The total in 1898 was 30,908, 347 pounds, valued at \$1,031,820.

"Give me a liver regulator and I can regulate the world," said a genius. The druggist handed him a bottle of De Witt's Little Early Bitters, the famous little pills. Sold by S. W. Aiken.

Bryan's Ill Temper.

Mr. Bryan has not raised himself in the estimation of sensible people by his correspondence with Mr. Perry Belmont. Bryan's resentment towards Belmont, for the part the latter took against the Chicago candidate in 1896, got the better of his judgment and the result was a pitiful exhibition of personal spite and small-mindedness. It was Bryan's right to accept or refuse the invitation to the Jefferson banquet, but the manner of his refusal was neither in good taste nor ordinarily courteous.

There was no occasion to invite Bryan to attend the banquet. The invitation was part of Tammany's attempt to carry water on both shoulders and it failed. The Democratic club is for free silver and for sound money, both at once, which is a very unsatisfactory condition. The president of the club being an avowed gold standard man, it would have been most incongruous for him, as chairman, to call upon Mr. Bryan to deliver remarks, which would naturally be an attack upon the gold standard. It would have likewise been embarrassing for Mr. Bryan to advocate free silver at the request of an anti-slavery man and one who opposed his election vigorously only two years ago.

Having been invited to a banquet which he could not consistently attend, Bryan should have declined, without getting into any controversy or descending to any abusive personalities. But instead of a polite declination, Mr. Bryan denounced Belmont and others as betrayers of their party, unwarmed as Democrats before campaigns.

Belmont's dignified course in the matter is in strong contrast with Bryan's intemperate abuse. The correspondence has shown up the latter as a much smaller man than he has appeared to be, before this. He will not be helped by such exhibitions of himself, but will find arrayed against him such a solid sea as will prevent his nomination, whether it affects the silver plank of the platform or not.

Drink Grain-O.

after you have concluded that you ought not to drink coffee. It is not a medicine but doctors order it, because it is healthful, invigorating and appetizing. It is made from pure grains and has that rich seal brown color and tastes like the finest grades of coffee and costs about 1/4 as much. Children like it and thrive on it because it is a genuine food drink containing nothing but nourishment. Ask your grocer for Grain-O, the new food drink. 15c and 25c.

Not one child dies where ten formerly died from croup. People have learned the value of One Minute Cough Cure, and use it for severe lung and throat troubles. It immediately stops coughing. It never fails. Sold by S. W. Aiken.

The results of an over-indulgence in food or drink are promptly rectified, without pain or discomfort, by taking a few doses of Herbine. Price 50 cents. Sold by Clark O. Proud.

Does Coffee Agree With You?

If not, drink Grain-O—made from pure grains. A lady writes: "The first time I made Grain-O I did not like it but after using it for one week nothing would induce me to go back to coffee." It nourishes and feeds the system. The children can drink it freely with great benefit. It is the strengthening substance of pure grains. Get a package today from your grocer, follow the directions in making it and you will have a delicious and healthful table beverage for old and young. 15c and 25c.

J. Sheer, Sedalia, Mo., conductor on electric street car line, writes that his little daughter was very low with croup and her life saved after all physicians had failed, only by using One Minute Cough Cure. Sold by S. W. Aiken.

The state treasurer announces that when the constitutional appropriations are made there will not be money enough on hand to pay for one day's legislative session. Members must therefore continue to look to the brokers for ready cash.

The state treasurer reported to the legislature yesterday that there is in the general revenue fund a remainder of only \$451. What a prodigious tumble to the Democratic claims of last year's campaign in Missouri!

How to Look Good.

Good looks are really more than skin deep, depending entirely on a healthy condition of all the vital organs. If the liver is inactive, you have a bilious look; if your stomach is disordered, you have a dyspeptic look; if your kidneys are affected, you have a pinched look. Secure good health, and you will surely have good looks. "Electric Bitters" is a good Alternative and Tonic. Acts directly on the stomach, liver and kidneys, purifies the blood, cures pimples, blotches and boils, and gives a good complexion. Every bottle guaranteed. Sold at Clark O. Proud.

I have been afflicted with rheumatism for fourteen years and nothing seemed to give any relief. I was able to be around all the time, but constantly suffering. I had tried everything I could hear of and at last was told to try Chamberlain's Pain Balm, which I did and was immediately relieved and in a short time cured. I am happy to say that it has not since returned.—Josh Edgar, Germantown, Cal. For sale by all druggists.

The best medicine money can buy for impure blood, nervousness, and all stomach and kidney troubles is Hood's Sarsaparilla.

Rev. E. Edwards, pastor of the English Baptist Church at Minersville, Pa., was suffering with rheumatism, was advised to try Chamberlain's Pain Balm. He says: "A few applications of this liniment proved of great service to me. I subdued the inflammation and relieved the pain. Should any sufferer profit by giving Pain Balm a trial it will please me." For sale by all druggists.
